

Jack Young, ASA–MTS/ARM, CPA

Appraiser of the Year

American Society of Appraisers 2021-2022

Curriculum Vitae

Jack Young helps Attorneys, BV Appraisers, and CPAs with values they can depend on. He is an Accredited Senior Appraiser (ASA) of the American Society of Appraisers in Machinery and Equipment (MTS) and Appraisal Review & Management (ARM) and a Certified Public Accountant (CPA). Jack worked for many years as an auctioneer and auction manager of business assets, machinery and equipment and was awarded Master Personal Property Appraiser (MPPA) designation from the National Auctioneers Association Education Institute. His experience in auditing, accounting, financial analysis, and auctioneering provides a strong base for the asset valuation concepts embraced by the Uniform Standards of Professional Appraisal Practice (USPAP) and the appraisal profession.

Jack served as Chapter President of the Northern California Chapter of the American Society of Appraisers and as Chair of the International Appraisal Review & Management (ARM) subcommittee of the American Society of Appraisers. He currently serves the American Society of Appraisers locally as ARM Director on the Northern California Chapter Board and internationally on the Board of Examiners and as editor of the Appraisal Review E-journal.

Jack is a contributor to *Valuing Machinery & Equipment: The Fundamentals of Appraising Machinery & Technical Assets, Fourth Edition*¹ (2020) and addressed the California Board of Equalization on the valuation of wine tanks as an invited participant in a panel discussion: *Assessment of Personal Property & Fixtures: Ensuring Accurate & Consistent Valuations & Application Methods*.

He received his B.S. Accountancy, Arizona State University, in 1988. While in college, he worked at the local mid-sized regional CPA firm Price, Kong & Company preparing monthly financial statements and performing tax work. Upon graduation Jack joined the audit department of international CPA firm KPMG in their Sacramento, California office. As a senior auditor, he worked primarily in the industries of banking, insurance, manufacturing, food processing and distribution. After KPMG, Jack was a financial analyst in the insurance and financial services industries.

¹ *Valuing Machinery and Equipment*, Fourth Edition, Machinery & Technical Specialties Committee of the American Society of Appraisers (2020)
